Independent Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results of the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Route Mobile Limited

- 1. We have reviewed the accompanying statement of unaudited consolidated financial results ('the Statement') of Route Mobile Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), (refer Annexure 1 for the list of entities included in the Statement) for the quarter ended 30 June 2021, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
- 2. This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under Section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), to the extent applicable.

Independent Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results of the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

4. Based on our review conducted and procedures performed as stated in paragraph 3 above and upon consideration of the review reports of the other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of Matters

- a. We draw attention to Note 7 to the accompanying Statement wherein it is stated that the Department of Revenue of the Ministry of Finance, Government of India, has requested the Holding Company to pay the goods and services tax in accordance with the reverse charge mechanism under Integrated Goods and Services Tax (IGST) Act, 2017 of ₹ 3,301.85 lakhs (excluding interest) for the period from July 2017 to March 2019 on the purchases of messages from its foreign vendors and sale to its overseas customers. Based on the legal opinion obtained, the management is of the view that the aforementioned services are not chargeable to goods and services tax and accordingly, no consequential adjustments have been made in the accompanying Statement. Our conclusion is not modified in respect of this matter.
- b. We draw attention to the matter stated in Note 6 to the accompanying Statement which indicates delay in payment of foreign currency payables within the group as on 30 June 2021 beyond the timelines stipulated vide FED Master Direction No. 17/2016-17, read with RBI circular, RBI/2019-20/242 No.33 dated 22 May 2020, under the Foreign Exchange Management Act, 1999. The management of the Holding Company is in the process of filing necessary applications for condonation of delays with appropriate authorities for regularising these defaults. Pending conclusion of these matters, the management is of the view that the amount of fines/penalties, if any, that may be levied, are currently unascertainable but not expected to be material and accordingly, no consequential adjustments have been made to the accompanying Statement with respect to such delays/defaults. Our conclusion is not modified in respect of this matter.
- 6. We did not review the interim financial results / interim consolidated financial results of ten subsidiaries included in the Statement, whose interim financial results / interim consolidated financial results reflect total revenues of ₹ 12,261.46 lakhs, total net profit after tax of ₹ 977.25 lakhs and total comprehensive income of ₹ 977.25 lakhs for the quarter ended 30 June 2021, as considered in the Statement. These interim financial results / interim consolidated financial results have been reviewed by other auditors whose review reports have been furnished to us by the management, and our conclusion in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the review reports of such other auditors and the procedures performed by us as stated in paragraph 3 above.

Further, of these subsidiaries, there are three subsidiaries located outside India, whose interim financial results / interim consolidated financial results have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been reviewed by other auditors under International Standard on Review Engagements (ISRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity. The Holding Company's management has converted the interim financial results / interim consolidated financial results of such subsidiaries from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have reviewed these conversion adjustments made by the Holding Company's management. Our conclusion in so far as it relates to the balances and affairs of these subsidiaries is based on the review reports of other auditors and the conversion adjustments prepared by the management of the Holding Company and reviewed by us.

Our conclusion is not modified in respect of these matters with respect to our reliance on the work done by and the reports of the other auditors.

Our conclusion is not modified in respect of this matter with respect to our reliance on the financial information certified by the Board of Directors.

Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results of the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Route Mobile Limited

- We have reviewed the accompanying statement of standalone unaudited financial results ('the Statement')
 of Route Mobile Limited ('the Company') for the quarter ended 30 June 2021, being submitted by the
 Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure
 Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time
 to time.
- 2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under Section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of Matters

- a. We draw attention to Note 6 to the accompanying Statement wherein it is stated that Department of Revenue of the Ministry of Finance, Government of India, has requested the Company to pay the goods and services tax in accordance with the reverse charge mechanism under Integrated Goods and Services Tax (IGST) Act, 2017 of ₹ 3,301.85 lakhs (excluding interest) for the period from July 2017 to March 2019 on the purchases of messages from its foreign vendors and sale to its overseas customers. Our conclusion is not modified in respect of this matter.
- b. We draw attention to the matter stated in Note 5 to the accompanying Statement which indicates delay in payment of foreign currency payables to subsidiaries, aggregating to ₹ 9,239.18 lakhs, outstanding as on 30 June 2021 beyond the timelines stipulated vide FED Master Direction No. 17/2016-17, read with RBI circular, RBI/2019-20/242 No.33 dated 22 May 2020, under the Foreign Exchange Management Act, 1999. The management of the Company is in the process of filing necessary applications for condonation of delays with appropriate authorities for regularising these defaults. Pending conclusion of these matters, the management is of the view that the amount of fines/penalties, if any, that may be levied, are currently unascertainable but not expected to be material and accordingly, no consequential adjustments have been made to the accompanying Statement with respect to such delays/defaults. Our conclusion is not modified in respect of this matter.
